## News ...

### Friends Membership Drive makes gains, needs further boost.

As of the Friends of the Library meeting on Oct. 27, **216 people** had responded to the Town Wide mailing by joining the Friends of the Library!

This has been a very positive response, and has earned enough to cover the costs of the mailing plus a bit more, but the Friends are hoping to bring their membership levels back to what they were several years ago, so we would love to see **another 300 people sign up!**

Membership is our most important revenue source to support Friends activities like:

- Author appearances, workshops and other cultural programs
- Special Children's events & the Summer Reading Club
- Concerts at the Library
- New initiatives like the Freegal music download service
